Senate members demand Rajshahi Varsity opening

Our Correspondent

RAJSHAHI A total of 27 Senate members of Rajshahi University in a joint statement to the press demanded immediate reopening of the Rajshahi University.

They also expressed deep concern over closure of Rajshahi University frequently and termed the closure as the failure of authorities to maintain law and order situation in the campus. The Senate members said that due to frequent closure of the students are facing irreparable losses and authorities pushing the career of students toward destruction. They also condemned the frequent violence in the campus. They also demanded reopening of the University immediately.

SEMINAR

A day-long seminar on the publication of the 5th issues of the Bangladesh Economic Studies journal organised by the Rajshahi University Economic Association was held at the Rajshahi University Senate Bhavan recently.

Presided over by Dr Tariq Saiful Islam, Chairman of the Economics Department of Rajshahi University the seminar was formally inaugurated by Professor Amanullah Ahmed Vice Chancellor of Rajshahi

University.
