### DU reopening, exams during Ramzan sought

By Our DU Correspondent

Combine of the nine student organisations and Bangladesh Chhatra Federation at separate news conferences on Wednesday demanded immediate reopening of Dhaka University and holding of all postponed examinations during the month of Ramzan to lessen the session jams.

They also demanded holding of the meeting of the Educational Environment Council and revive the Senate, the highest decision-making body of the university.

Leader of the combine of nine students organisations and President of JSD (Inu) Chhatra League Nazmul Huq Pradhan and President of Chhatra Federation Faizul Hakim also urged all the student organisations to expel the armed activists in those organisations if there was any.

The student leaders called upon the authorities to find out the miscreants responsible for all the murders and terrorist activities on the campus and sought their exemplary punishment.

They called upon the newly appointed Vice-Chancellor to make public all the inquiry reports with a view to what they said "restoring the rule of law."
