DU VC urged to reconsider his desire to resign

DHAKA, March, 21 (BSS): The Provost Standing Committee of Dhaka University has requested the Vice-Chancellor of the University Prof Abdul Mannan to reconsider his desire to resign in the interest of creating congenial academic atmosphere in the campus and ensuring full security measure for the teachers, students and employees.

The Standing Committee in a meeting yesterday with Prof. Khodadad Khan, Provost of Ziaur Rahman Hall, observed that departure of an elected vice-chancellor before completing the process to reopen the university by creating congenial academic atmosphere, is regrettable and also damaging for the university.
