### Vacant posts of govt educational institutions to be filled soon

The decision for expediting the process of filling the vacant posts of principals of government colleges and teachers of different government colleges, schools and primary schools had been taken at a high level meeting of Education Ministry held on Tuesday with Education Minister Sheikh Shahidul Islam in the chair, reports BSS.

The decision for filling the vacant posts was taken so that teaching in government educational institutions were not affected in any way, according to an official handout.

The meeting decided to expedite the creation of the post of assistant head master in primary schools as per the announcement of President Ershad.

Decision was also taken for starting construction work of Pathakali-3 School for the working children near Sayedabad Rail Crossing immediately.

The meeting finalised decision on principles of registration of new primary schools.

Education Secretary Hedayet Ahmed, Additional Secretary Nuruddin Al Masud and concerned officials attended the meeting.
