Teachers hail govt decision on admission

Leaders of different teachers organisations of government and private educational institutions Thursday hailed the recent government decision regarding admissions at higher levels based on results in public examinations, reports BSS.

Describing the decision as "timely and realistic", the leaders of teachers organisations said if implemented it would relieve both the admission seekers and their guardians of the mental worry and uncertainty and make admission process free from corruption.

The leaders made the remarks during a meeting chaired by Md. Ershadul Haq, Education Secretary at the conference room of the Education
