Our Correspondent

RAJSHAHI: The Rajshahi University authorities have set up an extra-ordinary example in the appointment of a teacher allegedly violating the Rajshahi University Act 1973.

According to University sources, the syndicate of RU has approved the appointment of a teacher at its meeting on April 21. in Statistics department. The man had reportedly stolen 18 books from the RU library when he was a student of the University, and for this he was expelled for two years by syndicate.

Three members of syndicate

including the Vice Chancellor of RU Prof. Amanullah Ahmed have put a note of dissent against the decision.

Thirty teachers including Prof. Md. Ynas F.R. Khan and Hasan Azizul Haque have demanded cancellation of the appointment.

The selection board of RU had recommended the appointment but when the Vice Chancellor came to know that the candidate was expelled from RU and its affiliated colleges for two years he sent the case for re-consideration but in vain.
