APSU seeks answers from the President

By A Staff Reporter

The All-Party Students Unity (APSU) in a statement to the press on Saturday sought answers to the following questions from the Acting President in view of the government Press Note issued on Friday refuting allegations made by the Acting Chairman of the Jatiya Party.

I) Is the government facing any pressure (internal or external) regarding realisation of APSU's demand for the immediate trial of H.M. Ershad and his shifting to the central jail?

II) What steps have been taken by the government following interference from the USA?

III) Are the comments made by Ershad and his allies not provocative to the patriotic army and against the civilians of the country?

The APSU in its statement vowed to continue the movement till establishment of people's rights and to uphold the spirit of the martyrs in case of any government failure.
