

BUET closed sine die

By Our BUET Correspondent
Bangladesh University of
Engineering and Technology
(BUET) was closed sine die
on Wednesday.

The University authority in
a statement on Wednesday al-
so asked the students to vacate
their respective halls before 10
pm on Thursday.

The statement said that the

students were boycotting clas-
ses for two weeks in support
of their two demands which in-
clude abolition of class tests
and enhancement of the amount
of scholarship money. They
University Academic Council
already formulated some gui-
delines regarding the class
tests and initiated efforts to
increase the scholarship money
the statement added.

But the students continued to
abstain from their classes re-
sulting in the deterioration of
academic activities, the state-
ment claimed.

Meanwhile, the students bro-
ught out spontaneous process-
ion after the announcement of
closure notice. The all-party
students action committee
termed the announcement as
an act of "conspiracy" against
the students community.
