

## New education policy within 3 months : Zafar

MANTALI-RAIKOT (Comilla), Aug. 28: Kazi Zafar Ahmed, Minister for Education, told a huge gathering here yesterday that the unproductive anti-people colonial education system shall be replaced within next three months by the one, being formulated by the National Education Advisory Council, committed to usher in generations of work force instead of producing aimless unemployed youths, with so-called education, reports BSS.

Each thana will have one agricultural and one technical school aimed at creating builders of the nation and not clerks. Vocational curricula will be added to the existing religious teachings in the madrasas, Kazi Zafar declared.

Referring to his recent participation in the regional conference of the Education Ministers of 31 nations of Asia and Oceania in Colombo, Kazi Za-

far said he failed to understand why Bangladesh cannot achieve cent per cent literacy when People's China stands at hundred per cent Sri Lanka at 90 per cent Burma at 60 per cent, Philippines, Malaysia and Indonesia fast reaching its target.

He declared that the Government was working on a crash programme to realise the national dream of scoring hundred per cent literacy, and in the meantime, banned note books upto class five, slashed prices of the text books in primary by 25 per cent to unburden the guardians of the cost of education of their children.

Earlier at Comilla, the Education Minister addressed a meeting of the district "Swarnirvar Committee" at the Deputy Commissioner's conference Hall.

In the morning, Kazi Zafar

also addressed a mass meeting at Kankapait High School ground at Chowddagram. The meeting was presided over by the Chairman of Kankapait Union Council, who drew the attention of the Minister to the distressing condition of the school, Local bazar, linking roads including the historic Fakhruddin Mubarak Shah Road and sought Government assistance to overcome it. The locality also needed a bank branch for local traders and farmers, he said.

The Minister, in his reply, assured the gathering [all] possible help from the Government and advised the accompanying officials of the Education Ministry to take note of the plight of the local educational institutions. He asked the district administration to help solve the problems.
