9000 schools to be constructed within 3 yrs

Education Minister Jamiruddin Sirear said on Thursday 9000 schools will be constructed with next three years through Facilities Department, reports BSS.

The Education Minister was speaking as the chief guest at the inaugural ceremony of a two-day training workshop for the engineers of the Facilities department held in Dhaka on Thursday.

Presided over by Executive Director of Facilities Department SMA Mannan, the function was addressed by State Minister for Education Principal Md Eunus Khan and Project Co-ordinator of General Educa-

tion project Syed Alamgir Faruq Chowdhury.

The Education Minister said the standard of education has deteriorated during the past autocratic regime. He said the present democratic government has attached highest priority to education sector. Pragmatic steps have already been taken for eradicating illiteracy from the country by the year 2000, he added.

Jamiruddin Sirear said the engineers of facilities department should discharge their duties with accountability and patriotism. He called upon
