## Two Dhaka Peace colleges closed

STAFF CORRESPONDENT

The Board of Intermediate and Secondary Education in the capital suspended academic activities of two colleges bearing the word "Peace" in their names.

Following directives of the education ministry, the board authorities issued two separate orders last night cancelling academic activities of Dhaka Peace College at Natunbazar in Gulshan and Peaceful College at South Banasree in Khilgaon.

The students of the colleges will be allowed to enrol in nearby colleges if they want, they added.

The colleges had around 220 students.
