The results of the Higher Secondary Certificate (HSC) and its equivalent examinations of 2016 will be published on August 18, Education Minister Nurul Islam Nahid told the news agency yesterday.

"The copy of the results will be handed over to Prime Minister Sheikh Hasina at Gono Bhaban at 10:00am on the day, and the results will be formally announced at a press conference later at noon," the minister said.

Over 1.2 million students under eight general education boards, Madrasah Education Board and Bangladesh Technical Education Board sat for the examinations that began on April 3.
