Students, teachers seek justice

Students and teachers of Chittagong University (CU) yesterday demanded justice for CU student Mohammed Alauddin Alaul, who was found murdered in a city flat five days ago.

They raised the demand at a human chain, in front of Central Shaheed Minar at CU.

Addressing the programme, CU Bangla department chairperson Prof Mohibul Aziz termed the murder a pre-planned one.

The speakers expressed their resentment as police could not arrest anyone as yet.

Nahidul Islam, one of the students, demanded immediate identification of all the culprits and their trial.

CU Bangla department Associate Prof Anwar Sayeed and Assistant Prof Prokash Das Gupta were, among others, present.

On March 23, the body of Alauddin, a master's student of the department, was recovered from the flat in Bayezid area hours after he and three others rented it.
