Headmaster of a high school in Saidpur upazila of the district has been suspended on charge of raping a girl student of Class X.

The managing committee of Kamarpukur High School in Saidpur at an emergency meeting yesterday decided to suspend the accused, Md Joinal Abedin.

Earlier on September 18, the victim's father filed a rape case with Saidpur Police Station against the headmaster.

"The headmaster called my daughter to his residence on May 3 this year when his wife was not at home. There he forcibly raped my daughter. Afterwards he raped her several times, threatening to expose the matter," goes the statement of the case lodged by the victim's father.

"As the situation was too unbearable, the girl told her parents of the matter on September 9," the case adds.

Being aware of the matter, locals gathered in front of the high school next morning and chanted slogans demanding punishment of the accused headmaster who had fled away.

Locals made phone calls to UNO Bazlur Rashid and upazila Chairman Moksudul Momin who came to the spot and suggested the victim's father to file a case.
