## DU 'Kha' unit results published

STAR REPORT

The Rajshahi University (RU) authorities have sold a record number of application forms of undergraduate admission tests this year, nearly a twofold rise from last year.

A total of 3,16,120 applications were received against 4,700 seats available at 57 departments under nine faculties and two institutes, said Prof Provash Kumar Karmakar, administrator of public relations office.

This means, some 67 admission seekers will compete for one seat.

Online application for the admission tests for 2017-18 academic session opened on September 10 and closed on Sunday night. "C" unit (science) received the highest number of applications (49,174).

According to the RU administration, the authorities received 1,78,948 applications in the 2015-16 session while 1,60,682 applications in 2014-15 session.

RU Student Advisor Prof Zannatul Ferdous said, "This year, we have reinstated

the system allowing admission seekers to sit for the entrance test for a second time which was scrapped in 2015-16 session."

This is one of the reasons such a huge number of candidates applied, he added.

The entrance tests will be held from October 22 to 26. Details will be available on RU website at <http://admission.ru.ac.bd>.
