Appointment of Local Consultant

Applications are invited for appointment of SYSTEM ADVISER under the Project 'Strengthening of Management Information and Statistical Services of the Ministry of Education' which refers to UNDP Prodoc No. BGD/92/009 (Educational Management Information System-EMIS). The appointment will be initially for 6 (six) months and may be extended upto 24 months after satisfactory services and if required.

Qualification and Experience:

- a) A university graduate/post graduate or higher degree in information technology/computer science/system analysis.
- b) At least 5 years' experience in designing and developing computerized data bases and need-based software for processing and analysing such data for management and decision making. Experience may be relaxed in case of higher degree holders in computer science/system analysis.
- c) Good working knowledge in Database and Relational Database Softwares for IBM/Compatible and Macintosh microcomputers in Network environment. Working knowledge in IBM AS/400 Midrange System with knowledge in OS/400, SQL/400 etc. will be an added qualification.
- d) Good experience in writing software documentation and training manuals.
- e) Expertise and experience in the training of MIS personnel.

Age limit : Between 40-50 years. Relaxable in exceptionally qualified and hands-on experienced candidates.

Monthly Salary : As per UNDP rules.

Three copies of applications with detail particulars and recent passport size photographs and other supporting documents should reach the undersigned in the above address on or before 10th January, 1995. Female candidates are encouraged to apply.
