DU forms probe body

DU CORRESPONDENT

The Dhaka University authorities yesterday formed a three-member probe committee to investigate the Saturday's incident of a scuffle between the teachers and students on senate building premises.

Prof Fazlur Rahman, teacher of the Institute of Education and Research and an assistant proctor, has been made head of the committee, confirmed Proctor Prof M Amzad Ali.

The other members are Prof Aftab Ali Sheikh of Chemistry and Prof Maksudur Rahman of Geography and Environment.

"The committee has been asked to submit an investigation report within a short time. Disciplinary action will be taken against those who were involved," said Prof Amzad.

A group of students on Saturday demonstrated in front of the senate building demanding inclusion of students' representatives in the senate through Dhaka University Central Students' Union (Ducusu) election.

As they attempted to enter the building, a group of teachers allegedly pushed them, causing a brief scuffle, which left eight people injured.

Meanwhile, the students who were in the protest called a press conference at Madhur Canteen today around noon, said Masud Al Mahdi, one of the demonstrators.
