A TOTAL of 30 students of different departments under the science faculty of Dhaka University, were conferred 'Dean's Award' for their outstanding academic results in BS honours examination of 2014.

However, three teachers of the same faculty also received the award for their remarkable contributions in writing books and fundamental research, said a university release.

DU vice-chancellor Professor AAMS Arefin Siddique on Sunday distributed the certificates among the recipients as the chief guest at a function, held at Nabab Nawab Ali Chowdhury Senate Bhaban on the university campus.

Dean of the science faculty Professor Dr Mohammed Abdul Aziz presided over the function while pro-vice-chancellor (academic) Professor Nasreen Ahmad, pro-vice-chancellor (administration) Professor Md Akhtaruzzaman and treasurer Professor Md Kamal Uddin addressed the function as special guests.

DU chemistry department chairman professor Dr Nilufar Nahar delivered welcome speech at the function while chairman of statistics, biostatistics and informatics department Professor M A Jalil gave vote of thanks.

Associate Professor of the Institute of Statistical Research and Training Jahida Gulshan conducted the programme.

Professor Siddique emphasised on the need of extended scientific research and education to improve the socio-economic condition of the country, the release added.

He also urged the brilliant students to groom themselves with moral values and added that the students must play an effective role for making Bangladesh free from extremism and terrorism, it said.
