Dhaka University on Sunday suspended results of Ka Unit admission test citing errors due to a technical glitch.

‘We are optimistic about republishing the result within three or four days,’ Science Faculty Dean Professor Tofayel Ahmed Chowdhury told UNB.

He said they noticed some errors in the mathematics section. ‘That’s why we decided to suspend the result,’ he said.

Vice-chancellor Md Akhtaruzzaman announced the results at the central admission office around 12:30pm with a pass rate of 13.05 per cent.

A total of 85,879 admission seekers took the test held on September 20 but only 11,207 of them passed.
