NARAYANGANJ Nov 19: The degree examination could not be held at the Tolaram College centre today due to lawlessness created by a section of examinees who insisted on being allowed to adopt unfair means without hindrance.

The trouble-mongers threw down benches from the first and second floors, broke them into pieces, took away all question papers and snatched away scripts from the examinees. At a stage, the ground of the college was littered with broken pieces of benches and chairs, torn scripts and question papers.

Some leaders of the college union were barred from adopting unfair means and they left.
