The press release said that the DUTA had asked both the Vice-Chancellor and the Pro-Vice Chancellor of the university to substantiate their remarks which were published in The New Nation earlier. The Vice-Chancellor had already substantiated his position at a Syndicate meeting and the Syndicate endorsed it, the press release added.

On another news item published in The New Nation earlier, the DU authorities said that appointment of Dr S.M.A. Faiz as Provost of Haji Mohammad Mohsin Hall was temporary and until further order. Therefore, the question of removal of Dr Faiz from the
