## **National body on education formed**

The government has formed a 48-member National Committee on Education with Minister and State Minister for Education as its Chairman and Vice-Chairman respectively, reports BSS.

The committee will advise the government in finalising the national plan in implementing the commitment made at the world conference on "Education for All by the year 2000" and to ensure education for all by the year 2000.

Among others the committee include parliament members, concerned government secretaries, director generals and other high officials, educationists, journalists and social workers and NGO leaders, chairmen of University Grants Commission and National Curriculum and Text Book Board.

Chief of Planning of Education Division is the Member-Secretary of the committee.
