## Medical education under autonomous varsity soon

Medical education in the country will soon be brought under an autonomous university. A policy decision has been taken in this regard for rapid implementation, reports BSS.

This was disclosed by the Deputy Prime Minister in charge of the Ministry of Home Affairs Prof M.A. Matin on Friday while addressing as the chief guest at the oath taking and installation ceremony of Bangladesh Private Medical Practitioners Association at BCPS (Bangladesh College of Physicians and Surgeons) auditorium, an official press release said.

Prof Matin said an ordinance

was very much in the offing from the relevant ministry about autonomy to medical education.

The DPM said, to ensure health services one of the basic human needs, government of President Hussain Muhammad Ershad was committed and more sincere than any

other previous governments. He called upon the private medical practitioners to render their best possible endeavour to supplement public programmes. Their efforts would never miss government's recognition and appreciation, he said.

Speaking on the occasion, Works Minister Sheikh Shafiqul Islam said, private medical practitioners had to play a very vital role in the success of government's Programme "Health for all by the year 2000". He urged them to set commendable example to impart selfless services to the distressed humanity.

Presided over by Dr Azizur Rahman, the installation ceremony was also addressed by Dr M.A. Jalil and Dr Mujibul Huq.
