ATTEMPTED RAPE

Student accuses Kushtia Govt College principal

He denies allegation, calls it a scheme to remove him

OUR CORRESPONDENT, Kushtia

Several student organisations yesterday declared demonstration programmes in Kushtia Government College for today demanding removal and punishment for its principal for his alleged attempt to rape a student on Thursday.

Under the banner of Progotishil Chhatra Jote, they brought out a protest procession in the town yesterday. They also sought an immediate arrest of the principal.

The students' announced programmes include class and examination boycott and a sit-in in front of the principal's office.

Campus sources said the principal called a student of the college to her residence on that day and tried to rape her.

The student informed her fellows of the matter. Then they instantly brought out a procession and confined the principal to his house. They also ransacked his house.

Later, police brought out the situation under control.

Sahabuddin Choudhury, officer-in-charge (OC) of Kushtia Model Police Station, said they let the principal go to Dhaka on physical ground.

"Moreover, the female student did not file any complaint against the principal," OC said.

Denying the allegation of the attempted rape, Principal Prof Badruddoza told The Daily Star that a quarter was out to remove him.
