4 new medical colleges to be set up: PM

Prime Minister Begum Khaleda Zia Monday underlined the paramount need for collective efforts of all to maintain peace and discipline everywhere including the educational institutions to ensure a stable development process, reports BSS.

"We have to put in our combined efforts to eradicate terrorism and maintain peace to solve the accumulated problems caused by autocracy," she told the newly elected office-bearers of Salimullah Medical College Students Union and other students of the college who called on her at Sugandha.

The Prime Minister said that the government would extend all

out cooperation to any effort aimed at ensuring peace and discipline.

Begum Zia said the government was aware of the problems of the medical students and the doctors and pointed out that her government had already increased the salary of the doctors.

She said, four new medical colleges will be set up in the country to ease medicare problems of the people.

The Prime Minister donated a bus for the transportation of the students of Salimullah Medical College.

Prof. Kamaruzzaman MP, Mr. Amanullah aman, MP and Vice-President of DUCSU Ehteshamul Huq Tuhin and Mr. C.S.B. Jalal Rozel, Vice-President and General Secretary of Salimullah Medical College Students Union, Mr. Abul Khair Bhuyian and Mr. Nasiruddin Khan, President and General Secretary of City Unit of Chhatra Dal, and Miss Ifat Shams, an office-bearer of the Salimullah Medical College Students Union also spoke on the occasion.
