Medical College at Jessore demanded

From Our Correspondent

JESSORE, Dec. 26.—Jessore town wore a festive look on the eve of Prime Minister's visit here. The movement of vehicles has increased deep strike of vehicles on a number of roads for the last three days.

People from distant places have already taken shelter in the residential hotels.

The people of Jessore have taken the Prime Minister's meeting as a platform for realisation of some important demands like declaring Benapole as the landport, reestablishing a medical college, reopening of Jessore-Benapole rail line and re-excavation of the River Bhairab.

The Prime Minister is expected to address a big public meeting tomorrow Saturday at the local Idgah Maidan.

According to another report, farmer Ayub Hossain of village Karimpur under Baghrpara died this morning as his bull hit him with its horns.

The members of Task Force recovered contrabands worth taka five lakh seventy thousand yesterday.
