

## Primary education in jeopardy

From Our Correspondent

RANGPUR, June 30:—The primary schools in Aditmari Upazila are in deplorable condition. As a result, thousands of students studying in these schools are facing untold sufferings. Many schools have no fencing while buildings of many others are in dilapidated condition. ed in Saidpur recently. According to the information the victims while walking with in the premises of their houses suddenly came to contact of live electric wire snapped by a storm. They died on the spot.

The number of benches, black boards and furniture is adequate the academic students have sit on the Kutcha floor of these schools for want of benches.

In many schools the classes are held under the tree within the school compound for want of sitting accommodation in the class rooms. During the rainy season, most of these schools are remained closed as the rain waters trickle through cracks of the roofs.
