The protesting Buet students yesterday said the VC has until 2:00pm today to make his stance clear about their demands, or else they would lock down all buildings on campus.

They also threatened to stop the Buet admission tests scheduled for October 13 admission tests by 5:00pm today.

“We have given deadlines to meet our 10-point demand. If those are not met, we will start our activities. We will be forced to announce that the October 14 admission tests will be a protest.”

The students were briefing reporters during their fourth consecutive day of demonstrations following the murder of Abrar Fahad inside Buet's Sher-e-Bangla Hall.

Abrar, a second-year student, was beaten to death early Monday allegedly by a group of Chhatra League leaders.

Over a thousand students yesterday marched on campus, staged a sit-in blocking a major street, drew graffiti, and performed a street play.

Amit was arrested at Dhaka's Sabujbagh around 11:00am, Mizan on Buet campus around 12:30pm, and Toha at Mawna of Gazipur around 3:00pm.

So far, police arrested 16 suspects including four who were not named in the first information report.
