BUET classes to resume from Nov 26

By Our BUET Correspondent
The under-graduate classes of
Bangladesh University of Engi-
neering and Technology (BUET)
will resume from November 26
(Saturday) next. The residen-
tial halls will reopen on Friday.

The university was closed on
October 26 following the boy-
cott of classes by the students for
two consecutive weeks in sup-
port of their two demands
which include abolition of class
tests and enhancement of the
amount of scholarship money.
A notification issued by the

BUET

Contd. from page 1
registrar of BUET Mr. Abu
Taher on Sunday sought the
cooperation of students and
guardians alike to maintain
discipline and congenial acade-
mic atmosphere in the campus.
The university will take neces-
sary steps if any problems arise
regarding class tests, the notice
assured the students.

However, a leader of Stu-
dents Action Council, an alli-
ance of eight prominent stu-
dents organisations of BUET,
told this correspondent that
they would continue their move-
ment until the two demands
were not met.
