State minister for information and communication technology Zunaid Ahmed Palak on Wednesday urged the academicians to reform curriculum to cope with technological advancement at a workshop at the University Grants Commission in Dhaka.

University Grants Commission and Bangladesh Computer Council jointly organised the workshop to train the country's information technology graduates for Japan market, said a press release.

Zunaid as the chief guest attended the event presided over by the commission's chairman Kazi Shahidullah.

The commission's member Sazzad Hossain, ICT Division's senior secretary NM Zeaul Alam, Japan embassy's minister Hiroyuki Yamaya, Bangladesh Computer Council's executive director Parthapratim Deb and Japan External Trade Organisation's country representative Yuji Ando also spoke at the workshop.
