UK equipment for BUET

By Our BUET Correspondent
Mr. T.J. Streeton, the British
High Commissioner in Bangla-
desh, handed over a sophisti-
cated electronic equipment to
the Vice-Chancellor of Bangla-
desh University of Engineering
and Technology (BUET).

The equipment an exhaust
gas analyser unit will be
used by Mechanical Engineer-
ing Department of BUET for
determining the amount of car-
bon monoxide, carbon dioxide,
hydrocarbon and oxygen in
exhaust gases. The unit costs
about one lakh taka.

The brief function was attend-
ed among others by Prof M. H.
Khan, Vice-Chancellor of BUET,
Dr. A. M. Aziz-ul Haque, Dr.
Md. Wahazuddin, Dr. Md.
Abu Taher Ali.
