The closing ceremony of the two-day International Conference on Mechanical, Manufacturing and Process Engineering (ICMMPE)-2026 of Dhaka University of Engineering and Technology concluded in Gazipur on Sunday.

The closing ceremony of the conference organised at a hotel in Dhaka was attended by education adviser Professor Chowdhury Rafiqul Abrar as chief guest.

Assistant professor Sung Eon Kang, University of Connecticut, USA, and Professor Ruigang Wang, Michigan State University, delivered keynote speeches at the beginning of the second day of the conference.

The programme was presided over by Dean of the Faculty of Mechanical Engineering and conference chair Professor Md Anwar Hossain.

The conference organising committee chairman, Professor Hasan Mohammad Mostafa Afroz, and secretary Professor ANM Mominul Islam Mukut.

More than 195 technical papers, key note speeches, industry-academic collaborations, etcetera were presented in this two-day international conference on various topics and the Best Paper Award was announced from among them.

Professor Ruigang Wang of Michigan State University, USA and PhD researcher Monir Hossain of DUET jointly received the award for presenting the best paper.

The event was attended by deans, department heads, directors, teachers, students, officials, and academicians, scientists and researchers from home and abroad.
