The National University has extended the deadline for submitting online preliminary applications for admission to professional master's programmes at colleges affiliated with the NU for the 2026 academic year until 12:00 midnight on March 16.

Interested candidates must fill out the online preliminary application form through the NU admission website, said a press release on Saturday.

Applicants must also submit an application fee of Tk 1,000 to the respective college (either through mobile banking as determined by the college or directly) by March 31.

Detailed information is available on the admission website of the NU, [www.nu.ac.bd/admissions](http://www.nu.ac.bd/admissions), under the prospectus/important notice section.
