BCTA slates assault on teachers on duty

Principal A.K.M. Shahidullah and Professor M. Sharceful Islam, President and Secretary General respectively of the Bangladesh College Teacher's Association expressed strong resentment at the heinous attack by the unruly elements and outsiders on the teachers who were conducting the HSC examination at the Toltram College Centre and the innocent examinees, says a Press release. In a statement issued to the Press the BCTA leaders said that the undesirable elements created a reign of terror in the examination centre demanding the right of adopting unfair means in the examination which was not acceptable to the teachers on duty and the persons responsible for maintaining the sanctity of the centre.

Appreciating the professional responsibilities of the teachers and sensible behaviour of the innocent examinees, they demanded immediate restoration of normal situation in the centre and exemplary punishments to those culprits responsible for this untowered situation.

The BCTA leaders urged members of the teaching community including right thinking people of the society to come forward unitedly to resist the anti-social elements for the sake of maintaining academic atmosphere in the examination centres all over the country.
