Teachers concern over non-payment of govt grants

By A Staff Reporter

Secretary General of Bangladesh Federation of Teachers' Association Principal AKM Shahidullah in a statement on Saturday expressed grave concern over non-payment of government grants for teachers and employees of non-government schools, colleges and madrasahs for the month of November.

He also resented the failure of the Rupali Bank to disburse the government grants for non-government teachers of Khulna Division for the month of October.

Mr. Shahidullah called for immediate measures to pay the grants for non-government schools, colleges and madrasahs immediately.
