the convocation at a Press conference held at the local Press Club this evening.

Prof. Dr. Moinul Islam of Economics Department on behalf of the boycotting teachers told the Press conference that they would stay away from the convocation in protest against the attempt of the Government to amend the 1973 University Act of curbing the autonomy of the universities and various corruptions in the holding of convocation.

Earlier, the teachers of Chittagong University took out a procession from the city's University Teachers Club and walked all the way to the central Shaheed Minar where they held a rally with Dr. Imran Hossain in the chair.
