### Govt college teachers to go on strike May 9

BCS General Education Association has called for work stoppage in all government colleges on May 9 protesting the dilly-dally practice in filling up the vacant posts of teachers in nationalised colleges, reports UNB.

It will also stage demonstration in all government colleges and other unit on April 25 and protest meeting in all regional headquarters on May 3, said a Press release on Friday.

Meanwhile, the Association urged the government to take effective steps towards meeting the demands of striking teachers on non-government schools and colleges.

In a statement, President of the association Dr. Q A T M Habibur Rahman and Secretary General Mohammad Abu Yusuf said the lack of initiative in fulfilling the demands would only complicate the situation.
