Seminar for new teachers of varsities

A two-day appreciation seminar for new teachers of different universities began at Bangladesh University of Engineering and Technology (BUET) on Thursday, reports UNB.

Vice-Chancellor of BUET Prof. Md. Shahjahan inaugurated the seminar at the Council Building of BUET. It was also addressed by Coordinator of the seminar Prof M. Anwarul Azim.

Lauding the initiative for organising such a seminar for newly recruited university teachers, the VC hoped that the course will help increase sense of belongings and accountability, among the teachers.

The seminar, first of its kind, is aimed at acquainting fresh teachers with some important university affair, including rules and regulations, education and examination methods, and administrative and financial procedures.
