Chancellor gold medal for Dr Islam

Dr. A.W.M. Shamsul Islam, Professor of the Faculty of Veterinary Science of the Bangladesh Agricultural University was awarded Chancellor Gold Medal for his outstanding academic career.

An agricultural scientist, Dr. Islam did his M.Sc. in Veterinary Parasitology standing First in the First Class in 1966 and Ph.D from USSR, Moscow in 1971.

Professor Islam held several academic and administrative positions in the University and abroad including the Dean of Veterinary Science Faculty, Head of the Department and BAU Hall Provost. He was the Director of many research projects sponsored by the University Grants Commission, Bangladesh Agricultural Research Council, Bangladesh Medical Research Council and Ministry of Science and Technology.

Dr. Shamsul Islam has more than 70 research papers in his credit in the field of animal and human parasitology which were published in the national and international journals. He is the first recipient of the Chancellor Gold Medal of the University.

He is the eldest son late M.A. Bari and Fatema Bari of village Ekuria of Kapasia thana under the Gazipur district.
