People-oriented education system soon, says Sircar

PANCHAGARH, Feb 26 (BSS): Education Minister Jamiruddin Sircar has said the NBP government will introduce a people and production oriented education system to cater to the needs of the country.

The education Minister was addressing two separate gatherings of the teachers and students of Panchagarh Mohila College and Maqbulur Rahman College at Panchagarh yesterday evening.

The Education Minister said the flourishing of democracy and development depended on the spread of education among the masses.

He said illiteracy hindered social development and economic emancipation of the people. The present present democratic Government had already introduced compulsory primary education and mass education programmes to spread education among the commonman, he said.

Mr Sircar said the present Government aimed at making the students worthy and ideal citizens for building a happy and

prosperous society. He called upon the students to devote themselves in the pursuit of knowledge with devotion for shouldering their future responsibilities properly
