## Govt for production oriented edn system

GAZIPUR, Feb 24: Education Minister Barrister Jamiruddin Sircar said the present mocratic government is making efforts towards introducing a production and people-oriented education system in the country reports BSS.

Pragmatic steps have already been taken for making the higher education system free from anarchism and session jam, he added.

The Education Minister was

addressing as chief guest at the inaugural ceremony of Abdul Awal College at Sreepur here. Presided over by Deputy Commissioner of Gazipur, Mr Mustafizur Rahman, the function was addressed by State Minister for Religious Affairs Prof M A Mannan and BNP central leader Chowdhury Tanvir Ahmed Siddiqui.

Mr Sircar said BNP always believes in democracy and we are determined to give democracy an institutional shape. He said the present government does not work under any foreign influence. He called upon the people to come forward for eradicating illiteracy from the Country.

Prof M A Mannan said BNP government has given top priority to education sector in the national budget. He urged the people to put in their efforts for making mass education and compulsory primary education programmes successful.

Earlier, the Education Minister unveiled the plaque of the college.
