Quality edn to be ensured for all

Minister for Education ASHK Sadique on Tuesday said all problems and irregularities in the education sector will be solved after the implementation of the proposed education policy of the present government, reports BSS.

The Minister was talking to the visiting World Bank Vice President Joseph Wood at his office in the Secretariat. Among others, World Bank Mission Chief in Bangladesh Pierree Landell Mills and Secretary, Primary and Mass Education Division Syed Amirul Mulk were present.

Education Minister briefed the World Bank Vice President on the defects of the present education system and informed him of the various steps which will be introduced in the proposed education policy. He said the present government is determined to implement a modern and effective education system to ensure quality education for all.

Mr Wood highly appreciated the present government's proposed education policy and assured the minister that the World Bank would continue its support to the sector.
