Teachers of BCS (Gen) Edn oppose govt initiative

Teachers of BCS General Education Cadre held a protest rally in front of Shikha Bhavan Thursday at 11 a.m. at the call of BCS General Education Association. The rally was a protest against the authority's initiative to uplift the position of nationalized college teachers to their respective posts of Principal, Vice-Principal, Assistant Professor which they held at private colleges on the basis of an unapproved amendment of the Absorption Rules, 1981, says a Press release.

Teachers in the rally said that the majority members of the cadre service will be affected if the government implements the said amendments which will get effect from February 1, 1978. They urged the government to save the cadres from an imminent breakdown of the cadres since 8000 teachers will remain junior and many of them lose their future promotion scopes.

In the rally, with Principal Dr Hamida Banu of Eden Girls College in the chair, Secretary General of the Association Md Abu Yusuf, Principal Fauzia Ali, Prof Jahanara Begum, Vice Principal Hasina Rehana, Joint Secretary Selim Khondakar, Publicity Secretary S.M. Wahiduzzaman, Nilupher Anam, Shibbir Ahmed, Sultana Salma spoke among others.
