DUTA's call not to make indecent remarks about teachers

Varsity Correspondent

The Dhaka University Teachers' Association (DUTA) called upon all not to make any indecent remark about teachers and to keep away from all kinds of movement until the probe body submits its report.

President and General Secretary of DUTA, in a joint statement, condemned the quarter for creating unrest on the campus over a 'so called issue of sexual harassment'. They condemned a Bengali national daily for addressing teachers as miscreants.
