Govt scholarships for wards of low-paid employees

Government may decide to provide taka one crore as scholarships to meritorious wards of the class III and class IV employees and as medical relief to deserving employees shortly, according to official source.

The decision has been taken with a view to alleviating genuine hardship of the low-paid employees deserving such financial assistance.

To expedite payment, the Regional Welfare Committees have been advised to submit recommendations for stipends and medical relief to the Central Committee by January 31, next so as to grant such assistance by February 15.

Detailed instructions on this will be announced shortly in newspapers for information of the employees.
