## Qudrat-e-Khuda children's award instituted

By A Staff Correspondent

Bangladesh D. X. Club International will give children's award every year in memory of noted scientist Dr Qudrat-e-Khuda. This year award will be given through essay competition to children within the age group of eight to 12. The topic of the essay is "The past present and future of Bangladesh in the advancement of science".

The essay will have to be written in brief in Bengali and should reach the undersigned by August 30. The participants in the competition must give their names name of the school address age and class and also a copy of certificate from the Headmasters of the respective school along with the essay.

Address:- Mohammad Iqbal Khandaker Bangladesh D.X. Club International 893B R.K. Mission Road Gopibagh Dacca-3
