Six to vie for single seat in BUET

Varsity Correspondent

More than six candidates will compete for every single seat of Bangladesh University of Engineering and Technology (BUET) in the highly competitive admission test to be held tomorrow (Saturday).

The admission test will start at 8.30 a.m. at different centres on the BUET campus.

A total of 4,500 candidates will appear in the admission test. They will vie for 725 seats in 11 departments of the varsity.

The results of the admission test will be announced on April 30.

Meanwhile, the architecture students of BUET are staging demonstrations in support of their demands centering on the admission test.

They are demanding a separate admission test for the Department of Architecture.
