Tuition fees of Govt schools raised nominally

CHITTAGONG, July 12: Irrigation, Water Resources Development and Flood Control Minister Anisul Islam Mahmood called upon the members of Rotary Club to dedicate their services to improve the condition of the society, reports BSS.

Speaking as the chief guest at the eleventh installation of

office-bearers of Agrabad Rotary Club recently the Minister said time had come for all in Bangladesh to stop asking what the country could do for them and start thinking what they could do for the country instead.

The Minister defended the government decision to increase tuition fees of government schools saying they were nominally raised after many years.

District Governor Iqbal Ansari Khan, in his speech reminded the club members of their vow to fulfil their obligation to the community.

Immediate past President of the club Dr. Mahiuddin Ahmed said his club had launched during the past year the first polio plus immunisation campaign in the Rotary District
