Manikganj Mohila College lacks teaching facility

Our Correspondent

MANIKGANJ, Aug 20.— Manikganj Mohila College has been facing manifold problems for a long time.

The college has no required number of teachers. As a result, the study of the female students is being badly affected.

According to reports, seven posts of teachers are lying vacant and 28 posts of teachers have not yet been created in the college.

The college has no demonstrators

for Chemistry, Zoology and Botany. It has no Librarian, Assistant Librarian, Assistant Accountant, Cashier, Store Keeper, Electrician-cum-mechanic, Cash Sarkar, Book Sorter and Scale Bearer.

The college lacks a laboratory and the facilities of hostels for students.

The teachers of the college also face problem of residential facilities.

Degree has been opened only in Arts in Manikganj Mohila College. As a result, many female students who want to study Science and Commerce, in degree-level have been deprived of the necessary arrangements in the college.

Manikganj Mohila College is the only women college in the district.

Over 500 female students are studying in the college. The government should take steps to solve the problems of the college immediately.
