## Nazrul College classes resume August 14

Staff Reporter

Classes of Kabi Nazrul Government College will resume on August 14.

An emergency meeting of the College Teachers Council took the decision on Saturday with the Principal AKM Kazi Abdur Rab in the chair.

The college was closed on August 5 in the wake of violence that deteriorated the campus situation.

The meeting called upon the students of the college to carry their identity cards and pay slips and said those would be checked at the college gate.

Reviewing the latest Campus situation, the meeting hailed the Police Commissioner for his assurance of cooperation to bring back a congenial academic atmosphere at the college.
